

SOLUTIONS FOR HYDRONIC & STEAM SYSTEMS

Lundquist
Sales, Inc.

Setting industry
standards across
the Mountain West.

CHOOSE THE RIGHT SOLUTION FOR YOUR NEXT PROJECT

Boilers | Water Heaters | Tanks

Glass Lined Storage Tanks, Coil Tank Water Heaters, Dual-Oil-Gas Fired Water Heaters

Stainless Steel Venting, Chimney Linings, & Insulations

Boilers (Residential & Commercial), Water Heaters, Tanks, Sanitizers, & Solar Equip.

Boilers (Residential & Commercial), Water Heaters, Tanks, & Pool Heaters

Pumps | Circulators

A CRANE Pumps & Systems Brand
Sewage & Sump Pumps, Self-priming Pumps

Regenerative Turbine, Self-priming, Close Coupled & Base Mounted Pumps

ANSI Pumps, Close Coupled, Frame Mounted, Split Case Horizontal Pumps

Stainless Steel Circulating Pumps, Multi-stage Pumps, Booster Pump Systems

End-Suction, Inline, Split Case Horizontal Pumps, & Specialties

Turbine, End-Suction, Split Case Horizontal, Close Coupled & Base Mounted Pumps

Sewage & Sump Pumps, Centrifugal Pumps, Condensate Pumps

End-Suction, Split Case Horizontal, Condensate, Boiler Feed Pumps & Specialties

Radiant Heat | Snowmelt

Self-contained Control Valves, Zone, Bypass & TMV Valves, Circuit Setters, etc

Modulating Hydronic Controls, Boiler Controls, Setpoint Controls, Reset Controls

Radiant Floor Heating & Snowmelt Systems, Onix Tubing, PEX, Electric

Fan Coils | Unit Heaters

Fan Coil Units (belt & direct drive), Cabinet Unit Heaters, Connectors, Unit Heaters

Life Breath Air Cleaners, Air to Air Heat Exchangers, Clean Air Furnace, Inline Fans

Toe (Kick) Space Heaters, Fan Coil Units & Replacement Coils

"High Velocity" Heating & Cooling (DX, Electric, Chilled & Hot Water)

Custom & Replacement Coils

Finned Tube Radiation, Commercial & Residential, Hydronic & Electric

Steam | Hydronic Specialties

AK INDUSTRIES

Fiberglass and Poly Basins with Covers

Gasketed Plate & Frame, Brazed Plate Heat Exchangers

Steam Traps (Float, Thermostatic & Bucket), Parts for most all trap manufactures

Descalers, Water Softeners, Reverse Osmosis Systems

Expansion Tanks (Heating, Domestic & Well), Fill Valves & Air Vents

GERARD ENGINEERING

Venturis & Flow Control Indicators, Circuit Setters, Meters, Disconnects

Glycol Feed Systems

Strainers, Butterfly Valves, Check Valves, Connectors, etc.

Strainers, Butterfly Valves, Check Valves, Connectors, etc.

Condensate Neutralizers

Steam Traps, Steam Pumps & most all other steam components

Spirovent Micro-bubble Air Separators, Dirt Separators

Flexible Connectors & Vibration Eliminators

Pre-insulated Underground Piping Systems

Thermometers, Pressure Gauges, Wells, Gauge Cocks, Snubbers, Syphons, etc.

WE WILL HELP GET THE RIGHT SYSTEM FOR YOU!

We have a range of products to help with your mechanical heating needs.
